Financials 201 for Your Business

When Tue, June 14, 6pm – 8pm

Where WorkSource 309 E. 5th Ave. Moses Lake, WA 98837 ([map](#))

Description In Financials 201, this is where the rubber meets the road. Using data from your own or a model business, and an Excel spreadsheet, we will develop an income statement, a balance sheet and do a cash flow analysis. You will analyze this information to determine how well your business is performing. However, if you are in the process of starting a business, a cash flow analysis will determine how viable your business model is. Cost is \$10 for Past Grad's and \$25 for Non-grad's. Contact Jasmyne DeBeaumont at 509-765-92063 x249 for more information.
