JA Success Skills

JA Careers with a Purpose

JA Company Program

JA TITAN

JA Business Ethics

HS Capstone
JA Job Shadow

JA Presents NEFE

JA's Turn-Key Volunteer Solution:

Minimal Time Commitment / Maximum Impact

The time commitment is minimal compared to the significant impact you make:

Elementary Grades: Five 30-45 minute sessions

Middle Grades: Six 45 minute sessions

High School: Seven to twelve 45-60 minute sessions

No matter what grade level you choose, JA provides you with a kit containing the lesson plans and student materials you will need to make every second count.

Our Families

First grade students learn about the role of families in the local economy, jobs held by family members, needs and wants, and how working together makes a community better.

Volunteer commitment – Five 30 minute visits

Concepts

Business • Choices • Consumers •
Employment • Family • Income •
Incentives • Jobs • Needs • Skills •
Tools • Wants • Work

Skills

Analyzing Information • Decision
making • Following directions •
Interpreting symbols • Listening • Map
reading • Teamwork
